18 Sept 2019	AT&ST Sub-Group meeting	AT&ST Sub-Group	Build better advice and funding partnerships with:	Local organisations	Cultivate relationship with FEL, University of Stirling	Strong links with FEL but not on project specific basis; University of Stirling staff on steering group; various Uni discussions, eg. bus routes, park and ride, and attending Sustainable Transport Strategy meeting on 4 October
28 Aug 2019	Riverside Community Council meeting	Individual	Motor Vehicles	Parking on pavement at Forth Street / Forth Crescent interchange blocks visibility for pedestrians – especially smaller children.	Report contractors to Ogilvies; add bollards to pavement; signage; enforcement	Issue reported but continuing

Community Issues

7 Oct 2019	Riverside Community Council Drop-in	Individual	Motor Vehicles	Pavement parking outside Riverside Quay – delivery vans, etc	Road Markings, enforcement.	No road markings, dropped kerb - unsafe area to park due to location of round about and junction.
7 Oct 2019	Riverside Community Council Drop-in	Individual	Motor Vehicles	School run vehicles stationary with engines running.	Police enforcement.	Some respond to queries.
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Lovers' Walk – Incorrect signs & road markings	Closure to motorised vehicles except for access	Incorrect signs & road markings
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Lovers' Walk – Sub-standard cycle facilities	Properly designed cycle facility on carriageway.	Sub-standard cycle facilities
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Lover's Loan "congestion"- walkers & cyclists	Protocols & signage	Conflict & confusion
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Lover's Walk - Malodorous	Contact Scottish Water / SEPA.	Stinks.
7 Oct 2019	Riverside Community Council Drop-in	Individual	Motor Vehicles	Vehicle Speed Control (lack of)	Encourage govt to expedite S.A.	None fitted in vehicles
7 Oct 2019	Riverside Community Council Drop-in	Individual	Motor Vehicles	Shore Road - Speed of traffic and crossing over to/from pontoon / shops / parking	Cross walk or lower speed limit (smiley face sign)	No traffic calming
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Street name plates	Maintenance.	Poor condition
7 Oct 2019	Riverside Community Council Drop-in	Individual	Motor Vehicles	Speed limit	Make all of Riverside 20 mph	30 mph in Forth Street & Dean Crescent, Shore Road, etc
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Drop kerb repositioned at entrance to Lovers Walk	Move drop kerb eastward away from current location	Cycleway drop kerb egresses on to where vehicles turn the corner
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Forth Crescent from Ronald Place to Forth Street to be two-way for cyclists.	Broaden path to accommodate cyclists	One way for cars and cycles
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	General speed limit of 20 mph in Riverside	20 MPH zones	20 MPH round school and Forthside Way but 30 MPH elsewhere
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Dean Crescent needs re-surfacing	Re-surface road	Surface very rough for cycling
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Keep open [Lovers' Walk] as one-way out of Riverside for motorists but two-way for cyclists.	Open for discussion	One way road exit for vehicles and cycles. Cycles also on cyclepath.
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	No continuous footpath along the river	Complete footpath	No footpath between pontoon & Cooperage Quay
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Causewayhead Road. No safe delineation between cyclists and cars.	Separate cycleway and footpath from cars	Cycleway on road separate from footpath
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Winter gritting pavements & cycleways. Corner catches frost [junction of Riverside Drive and Abbey Road pavement].	Grit paths	Paths not gritted
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Forthside Way cycleway and footpath	Add markings to delineate cycleway from footpath	No markings on walkway or cycleway to separate them.
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Clearing up glass on cycleway.	Maintenance.	Occasional debris on cycleway
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Cyclepath beside river	Resurface path in cracked-up areas	Cyclepath cracking up beside the river.
7 Oct 2019	Riverside Community Council Drop-in	Individual	Infrastructure	Gritting on Rosebery Place – no sun so very slippery	Added to gritting route.	Not gritted

Community Issues

27 Aug 2019	AT&ST Sub-Group meeting	AT&ST Sub-Group	Infrastructure	Bike storage	More bike storage	Not known
27 Aug 2019	AT&ST Sub-Group meeting	AT&ST Sub-Group	Infrastructure	Build better advice and funding partnerships with:	Access to bikes eg more Next bikes	Seek information from FEL and Recyke-a-Bike
27 Aug 2019	AT&ST Sub-Group meeting	AT&ST Sub-Group	Infrastructure	Build better advice and funding partnerships with:	Checking planning developments to 'Active Travel-proof' them	Seek information from the council
27 Aug 2019	AT&ST Sub-Group meeting	AT&ST Sub-Group	Infrastructure	More data needed for:	Surveys of where people travel to and from	Community travel survey
27 Aug 2019	AT&ST Sub-Group meeting	AT&ST Sub-Group	Infrastructure	Build better advice and funding partnerships with:	Make Riverside a Paths for All demonstration project	Do full community consultation and develop a range of solutions for funding
27 Aug 2019	AT&ST Sub-Group meeting	AT&ST Sub-Group	Infrastructure	More public engagement needed to:	Develop walking and cycling groups	Establish new groups and/or promote existing ones
11 Oct 2019	Email	Individual	Infrastructure	Lovers' Walk – to be single lane - which would be good and would avoid the confusion that currently exists around it.	I would like to see proper cycle paths up Lover's Walk - potentially a two-way cycle path (reducing to one lane under the bridge) alongside a decent pedestrian path.	Shared use path currently in place
11 Oct 2019	Email	Individual	Infrastructure	Lover's Walk – Major concern is the idea of closing Lover's Walk to traffic. Road is vital in a river-locked community. Totally negative response received from individual's discussions with others about the idea. Feeling it would clog up traffic even more-standing cars - fumes etc.	Keep the road open to traffic	Road open to one-way traffic
